The prophet Yahweh, a self-proclaimed American seer who claims to have the ability to summon UFOs to appear on command, has accused spirit channelers of stealing his latest UFO 'prophecy'. Last month Australian author Blossom Goodchild reported on her blog that an intergalactic organization calling themselves the
Federation of Light
were planning to cause a UFO to appear over the skies of the southern United States for a three day period. The purpose of this encounter was to present undeniable proof that mankind is not alone in the universe, and to pave the way for full disclosure of the UFO phenomenon by world governments. The Federation of Light also warned that our world will soon enter a period of great trouble, and their purpose in making contact with us is to guide us through it. But the UFOs
never appeared
and access to Blossom Goodchild's blog has since been restricted to invitation only. Now the prophet Yahweh is claiming that UFOs will appear over the skies of
Las Vegas
for a three day period at the end of October. He says the purpose of their appearance is to convince the American public to vote for Obama, whom he believes God has chosen to lead the world through a time of great trouble ahead.

Quote: *"He claims that these space beings are the Angels of Yahweh, the Creator of all things. And, they are talking to him, on a daily basis, via a sophisticated form of telepathic, non-verbal, none-talk, brain-to-brain communication. Most of the time, when they contact him, he is sleep. At that time, he hears a voice speaking to him inside his head. He also says that: Unless I am misinterpreting my visions, it's very likely that Yahweh's angels are going to descend down from space, in one of their spaceships, on two different occasions, in a different, single ship, each time, and hover over my school, in Las Vegas, NV for three days so the media can film them. When asked why the spaceships will appear, Prophet boldly says that: One of the many reasons why they will do this is to show support for Presidential candidate Barack Obama. This will be done so people will know that Obama is the best choice to lead America through the troublesome times to come. "YAHWEH wants people to know that if Barak Obama does not become President, America will quickly be led into a war with Russia via Iran that will result in: a cut off of oil from the Persian Gulf, a great depression, stock market crash, runaway inflation, devaluation of the dollar, food shortages, riots, famine, race wars, out breaks of disease, etc."*

While the prophet Yahweh may use the name of God and believes that these UFOs are angelic spirits, the god that he worships is not the God of the Bible. He may have a little more of the 'truth' than Blossom Goodchild has, but that just makes his lies even more deceptive. Since when does God need to convince mankind to vote for a certain man in order to put him into office? The 'Yahweh' that this man worships is a powerless god. The prophet Daniel states that

"the most High ruleth in the kingdom of men, and giveth it to whomsoever he will, and setteth up over it the basest of men ", Daniel 4:17. And the Bible prophesies that the things this man says will happen if America doesn't vote for Obama are destined to happen anyway regardless of who is in power. This judgement won't happen because we voted for the wrong leader, it will happen because God must judge this world for its wickedness. As you can see, Blossom Goodchild's message is in essence the same as what the prophet Yahweh is now bringing us. The coming time of trouble has been divorced from the judgement of God, and fallen angelic beings are presented as the only saviour for mankind. That is a demonic lie. It may even be the lie that God will cause people to believe who have rejected Jesus Christ as their Saviour (2nd Thessalonians 2:12). The prophet Yahweh denies that Jesus Christ is the Son of God, and that it is only through Him that we can obtain the forgiveness of sins. And when Satan and his minions are cast down to earth during the great tribulation period, the prophet Yahweh and many others will openly embrace them as the saviour of mankind (Revelation 12:7-9).

As you can see, it appears that despite Blossom Goodchild's failed prophecy, we have not yet escaped this demonic UFO deception. Perhaps even the demonic host are anticipating the time of the rapture of God's people, and are preparing mankind for the deception that will follow. Don't be looking for angels or aliens to come to your rescue. They may appear as angels of light, but that is only to deceive (2nd Corinthians 11:14). The only Person that can save you is Jesus Christ. He loves you so much. He bore God's punishment for your sins when He died upon the cross, and all who believe on Him for salvation can have everlasting life (John 3:16). He promised that if He would go away to heaven, that He would come again to receive us unto Himself, that where He is there we may be also (John 14:3). Are you ready to meet Him? Believe on the Lord Jesus Christ and you shall be saved (Acts 16:31).
