"But God said to him, 'Fool! This night your soul will be required of you; then whose will those things be which you have provided?' " - Luke 12 V20

"...Today, if you will hear His voice, do not harden your hearts as in the rebellion." - Hebrews 3 V15

You may wonder why the message of salvation is given so much of importance and why I write about it in most of my writings. Beloved friend, there is no other message greater than the message of salvation and the good news of Jesus Christ. If you already know Christ as your Lord and Saviour then these messages should be an encouragement to you, but if you do not know Him and never invited Christ in your life, then you still have a chance. No one can predict what tomorrow has in store for our lives, but we are safe when we know Him as our Saviour. Some day you will hear God's final call to you to take His offer of salvation. Do not wait for tomorrow my friend because today is the accepted day of salvation. We may never see tomorrow, or Christ may return at the next moment, and the big question is, are you prepared for that moment? Hear God's final call because the time is at hand. Repent of your sins and accept Christ as your Lord and Saviour.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
