

Peace and safety?

Written by Jacob Chacko Kallara

"Do not boast about tomorrow, for you do not know what a day may bring forth." - Proverbs 27 V1

"For when they say, "Peace and safety!" then sudden destruction comes upon them, as labour pains upon a pregnant women. And they shall not escape." - 1 Thessalonians 5 V3

We hear leaders of the nations talk about "change" and rebuilding their nation, but one main thing that is missing is Godly counsel. The Bible teaches, 'Unless the Lord watches over the city, the watchman stays awake in vain', and today we see the nations of the world trying to build without letting the Lord build it for them. The book of Daniel teaches us that in the end of age a rock cut out without human hands smashes the statue which represents the different ages since the time of king Nebuchadnezzar, and the rock becomes a mighty mountain and fills the whole Earth. This rock is Christ, and from the signs of time we live in, it is evident that we live in the last age. Do not believe when people say "Peace and safety", for true peace and safety will only come when the Lord Jesus Christ will rule and reign on Earth. He offers His saving grace to all men, to those who willingly by faith reach out and receive it. Praise the Lord!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ Amen. Even so, come, Lord Jesus!
