

"Therefore comfort each other and edify one another, just as you also are doing." - 1 Thessalonians 5 V11 "but exhort one another daily, while it is called "Today," lest any of you be hardened through the deceitfulness of sin."

- Hebrews 3 V13 As followers of Jesus Christ, our Saviour and Lord, we have to encourage one another with the words of Hope and Love and support those in need. Christ is our example and we ought to reflect the image of Christ even to our own brethren. Christ taught us to love and serve one another and we ought to follow this command even to the end. Amen.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
