

"So God created man in His own image; in the image of God He created him; male and female He created them." - Genesis 1 V27

"Therefore be imitators of God as dear children. And walk in love, as Christ Himself has loved us and given Himself for us, an offering and a sacrifice to God for a sweet-smelling aroma." - Ephesians 5 V1, 2

Our generation has seen some of the big advances in technology and especially with Movies and Internet life is very different. We also get to see the young generation and they have their own idols and it is sad to see them imitate the earthly idols. We are created in the image of God and for His glory alone and we should imitate only one person and that is the person of Jesus Christ. There was not, nor there will be anyone like Christ and we have a perfect example that God Himself has laid before us through Jesus Christ His Son. Let us as Christians create a difference in the world we live by imitating Christ and living in His fullness.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
