

The Sign Of The Lamb

Written by Jacob Chacko Kallara

"For the Lord will pass through to strike the Egyptians; And when He sees the blood on the lintel and on the two doorposts, the Lord will pass over the door and not allow the destroyer to come into your houses to strike you." - Exodus 12 V23 "Much more then, having now been justified by His blood, we shall be saved from wrath through Him."

- Romans 5 V9

It may sound like history repeating itself but this is true and real. In the days of Moses, the

Israelites

were spared from the judgment of God, only because they had the sign of the blood on their doorposts and a day is soon coming that those who have the mark of the blood of the Lamb

on them will not be condemned by God. Let us pray that our every friend, every family member and infact every person in the world will have the sign of the blood of the Lamb on them and this is again only possible when every single person makes a personal decision to accept Christ in their life.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work."
