

Three powerful [earthquakes](#) jolted Indonesia in less than 24 hours, spawning a 10-foot tsunami, damaging hundreds of houses and sending panicked residents fleeing to high ground. At least nine people were killed in the tremors, which were followed by dozens of aftershocks.

NOTE There have been a total of 15 earthquakes in this immediate area since 2000. Five of them happening during this year alone

“For nation shall rise against nation, and kingdom against kingdom: and there shall be famines, and pestilences, and *earthquakes*, in divers places.”
