Well the children's meetings at the Martyrs have been going really well. I have been helping out on the buses bringing the kids to the meetings, and it has been a real blessing to be able to be involved in such a great work. Over 300 kids have been there each night. Last night was a bit of a challenge, as around four boys on our bus just did not want to behave themselves. But I will miss the meetings when they finish. It was also encouraging meeting a few new friends. I haven't been feeling the best this week. I have had sore eyes and a sore throat and head, so I have been glad of this break from updating the website too. But thankfully not much has been happening this week, so you haven't really missed much!

I saw this article this morning, relating to the UFO phenomenon that we have been discussing lately. This not a recent news event, but some of the comments on this sighting do confirm what we have been saying in regards to the end-time deception. In March 1977, a large cigar-shaped object
was observed hovering in the skies of Everton, England. The object was sighted by at least half a dozen eye-witnesses, who's accounts are listed in the article. The object was a dull grey colour and bore no discernable features. It's immense size, measuring around 1000 feet to a mile in length, was what took many onlookers by surprise. It's presence was accompanied by a low throbbing sound. It appeared for a short period of time and then seemingly vanished into thin air. One of the eye-witnesses happened to be a medium, who senced something about this object that the others didn't pick up.

Quote: *"John Kelly, a medium who lived on West Derby Road, was walking his dog in Newsham Park that day in March, when he felt an overwhelming urge to look directly overhead. He said: "I saw this greyish long craft, at least a thousand feet in length, just stationary in the sky. "The dog began to whimper, and I experienced a tingling sensation in my head. I got the impression that someone in that UFO – or whatever it was – wanted to be seen in the sky. "I felt that there was someone up there with a huge ego, and I felt he had not come from another world, but another dimension, another plane of existence. It dematerialised and not long afterwards and went back to the world it belonged to."*

While I don't condone what this man practices, what he has to say is very interesting. For coming into close contact with these demonic spirits through the occult, he may have been able to sense something that the average person cannot. And it seems what he was able to sense was a very powerful presence behind this object in the sky. If Ufology is closely linked with the occult, and if there are demonic spirits that are manifesting themselves in such a manner so as to deceive mankind, then it should be no surprise that he should sense a being with a *"huge ego"*
wanting to be seen in the sky. Of course the Bible states that it was Satan's ego that ultimately

caused him to sin and be cast out of God's presence.

Isaiah 14:12-15
How art thou fallen from heaven, O Lucifer, son of the morning! [how] art thou cut down to the ground, which didst weaken the nations! For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north: I will ascend above the heights of the clouds; I will be like the most High. Yet thou shalt be brought down to hell, to the sides of the pit.

Jesus Christ said that He beheld Satan as lighting fall from heaven (Luke 10:18). Today Satan and his angels dwell in the first and second heavens (atmosphere, outer space), Ephesians 2:2,6:12. But the day is coming when they will be thrown out of the heavenly places and be cast down to the earth (Revelation 12:12). His lightning descent will not stop there. When Jesus Christ returns to earth to set up His kingdom, Satan will be bound in the sides of the pit for 1000 years (Revelation 20:2), and after that he must be cast into the lake of fire (Revelation 20:10). The Bible tells us that the lake of fire was prepared by God for the angels that sinned. Human beings were never meant to be there. But the Bible makes it clear that sinners cannot dwell in God's presence. And so after we die we must go down to the pit, and when the 1000 years are ended, we must also face the judgement (Hebrews 9:27) and the prospect of eternal separation from God. But there is good news. Jesus Christ did not come into the world to condemn it. He came to save sinners (1st Timothy 1:15). He died for you. Recognize that you are a sinner in the sight of a holy God. Repent of your sins which have separated between you and your God. Receive Jesus Christ as your personal Saviour. Believe on the Lord Jesus Christ and you shall be saved (Acts 16:31).
