The MI5 whistleblower has called a news conference to reveal more details of his "journey of spiritual redemption". Mr Shayler said: "I am the last incarnation of the Holy Ghost (aka the Holy Spirit) or the Yeshua or Jesus Spirit (aka the Christ consciousness). "As the Holy Spirit is God incarnate as essence, I am God incarnated as spirit and man." Journalists were asked to arrive at the briefing with "an
open mind
as this is a truth which
they are in no position to determine
".
