President Ahmadinejad threatened Israel once again today, stating the "Zionist regime" no longer had a reason to live, and that the nation will soon cease to exist . Speaking to thousands at "Jerusalem Day" - a pro-Palestinian rally held in the Iranian capital, the President also reiterated his view that the holocaust was a myth, and asked why Palestinians were "paying the price". Just one week from today it will be the first anniversary of the day when Ahmadinejad called for Israel to be "
wiped off the map
" at an anti-Zionist conference.

Quote: *""The efforts to stabilize Israel s fraudulent regime have failed. Believe me, soon this regime will be no longer," Ahmadinejad continued, "The Zionist regime was established in the heart of Islamic territory for one purpose - to pose a threat to the region through constant attacks and killings." "This regime has lost its way of existence. Today, there is no reason left for it to remain, and it is about to disappear," the Iranian president concluded.*

The Iranian President also warned other nations that supported Israel, including the Europe an Union
, that they could be harmed if Islamic anger at Israel boiled over.

Quote: *""You should believe that this regime (Israel) cannot last and has no more benefit to you. What benefit have you got in supporting this regime, except the hatred of the nations?" he said in a speech broadcast on state radio. "We have advised the Europeans that the Americans are far away, but you are the neighbours of the nations in this region. We inform you that the nations are like an ocean that is welling up,* ***and if a storm begins****, the dimensions will not stay limited to Palestine, and you may get hurt," he said.*

Ahmadinejad's warning to Europe comes as the EU gives the UN the green light to proceed with sanctions on Iran. Ayatollah Khameini had previously stated that Iran would
harm
US interests worldwide should the country face sanctions over its nuclear programme. The Jews believe that whoever denies the fact of the holocaust will be the ones to carry out the next one. That is why holocaust denial is treated so seriously in countries such as Germany. The Bible states in Ezekiel 38-39 that Iran will be one of the nations that will invade Israel during the Gog Magog war. With Islamic anger against Israel continuing to grow, I am wondering just when this Islamic "storm" will begin...

Ezekiel 38:9
Thou shalt ascend and come like a storm, thou shalt be like a cloud to cover the land, thou, and all thy bands, and many people with thee.
