While President Abbas reaffirms that any Palestinian Authority unity government will recognize Israel's right to exist and renounce violence, the PA run television station has resumed broadcasting music videos glorifying Shahada (martyrdom). In this particular video, which was often aired during the intifada from 2000-2005, a Palestinian woman is shot in the back by Israeli troops. She is immediately transported to paradise and becomes a virgin. The woman's death angers a Palestinian man, who is also shot in the back by Israeli forces, and is transported to paradise where he meets the woman and her 71 friends...

**Quote:** *""When the Shahid meets his Maker, all his sins are forgiven from the first gush of blood. He is exempted from the torments of the grave (Judgment); he sees his place in paradise, he is shielded from the great shock, and marries 72 Dark Eyed (Virgins)." [Dr. Ismail al-Radouan, PA TV, August 17, 2001] The PA grants Shahid (Martyr) status to all those killed in conflict including suicide bombers and other terrorists.*

As Palestinian Media Watch reports, Shahada is actively encouraged by the Qur'an, Palestinian families and the Palestinian Authority government. And this isn't the only video to be broadcast lately glorifying death for the sake of Allah. Earlier in the year, Hamas broadcast a video of a young Palestinian girl who blew herself up in order to kill Israeli soldiers. In any other country, this would be decried as child abuse, but it is encouraged in Islam. The same blood-demon that caused people to sacrifice their children to Molech, is causing the Palestinians in the same region to sacrifice their children to Allah.

Jeremiah 32:35
And they built the high places of Baal, which [are] in the valley of the son of Hinnom, to cause their sons and their daughters to pass through [the fire] unto Molech; which I commanded them not, neither came it into my mind, that they should do this abomination, to cause Judah to sin.
