"Hatred stirs up strife, but love covers all sins." - Proverbs 10 V12

"I write to you little children, because your sins are forgiven you for His name's sake." - 1John 1 V12

Do you know that once you accept Christ into your life you stand sinless before God. This is the great love of our God that He came and died for us so that all who believe in Him shall live and remain sinless before Him. If God had not made the way of salvation for us who could have escaped His wrath? But love covers all sins and we are covered by Christ. Our sins are forgiven for His name's sake. Praise God!
