"For we through the Spirit eagerly wait for the hope of righteousness by faith." - Galatians 5 V5

"This hope we have as an anchor of the soul, both sure and steadfast, and which enters the Presence behind the veil..." - Hebrews 6 V19

Hope is probably one of the favorite word of a Christian. We all Hope someday to be with our Lord and spend eternity with Him. Hoping in the Hope itself is a pleasure to a believer in Christ. We know that there awaits a reward for us from our Lord for our faithfulness, not that we have earned it but He will give it because of His goodness. Let us by faith continue to wait for the hope of righteousness. Praise God!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
