"A man's heart plans his way, but the Lord directs his steps." - Proverbs 16 V9

"Now may the Lord direct your hearts into the love of God and into the patience of Christ." - 2 Thessalonians 3 V5

Pray to the Lord to direct our every step. Let us pray and walk according to the will of our God. For God knows what is good for us and He already knows our tomorrow.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
