In our world we feel blessed when we receive gifts and benefits from others but according to Lord Jesus "It is more blessed to give than to receive". God loves a cheerful giver so let us make every effort to be a blessing to others. Let us now sow bountifully and later we shall reap bountifully in the kingdom of God. Remember, we have missions to support and the body of Christ needs us. The need is far greater than we think because the harvest is plentiful and the time is short.

*"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ*
