"I must work the works of Him who sent Me while it is day; the night is coming when no one can work." - John 9 V4

"The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put the armor of light." - Romans 13 V12

In some countries there is no freedom available to the people to practice their faith or to even speak openly about religious subjects. But many of us are blessed that we do not have any obvious restrictions. However, we do know that even though we have the freedom to pray and preach, we still have a greater opposition from Satan himself. We do not know for how long we still have this freedom but we should bear in mind that the night is fast approaching. Let us do His work while we still have daylight and while we still have His grace. The door will soon be shut and those who remain outside the door will face the judgment of God. Let us cast off the works of darkness and put the armour of light and continue to do His work that He has called us to do.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
