"And because lawlessness will abound, the love of many will grow cold." - Matthew 24 V12

"Do not quench the Spirit." -1 Thessalonians 5 V19

Every Christian should renew and recharge their spiritual walk with Jesus Christ everyday. We should draw closer to Him and in that we should decrease and Jesus Christ should increase in us. We do see lawlessness increasing in our world today and we do see the love for God among many Christians growing cold. Do not let the world carry you away from the love of God but let us reaffirm and rededicate our relationship with Christ and renew our strength in Him. Do not let the hour take you by surprise and instead when we see Christ face to face, may He say to you "Well done, thou good and faithful servant!'

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
