"And you will hear of wars and rumours of wars . See that you are not troubled; for all these things must come to pass, but the end is not yet." - Matthew 24 V6

"...Look at the fig tree, and all the trees. When they are already budding, you see and know for yourselves that summer is now near." - Luke 21 V29, 30

We sure live in interesting times from the Biblical prophecy point of view. Mankind have been fighting wars since civilization began but what makes it different now is the type of weapons used in war. Mankind can annihilate the whole world with the type of weapons being discovered and used during war. Christians need not be afraid of the things going around but this definitely should be an eye opener of the times we live. The end may not be tomorrow but we do know that Christ can return any moment for His church and then will follow the great tribulation. God desires that none should perish but all should come and accept life through His Son Jesus Christ. Repentance and acceptance of Christ is what every person on earth needs to do in order to receive God's mercy. He who has the Son has life; he who does not have the Son of God does not have life. (1 John 5 V12)

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
