"Sing to the Lord, bless His name. Proclaim the good news of His salvation from day to day." - Psalm 96 V2

"...Go into all the world and preach the gospel to every creature." - Mark 16 V15

We have been chosen to proclaim the good news and the message of salvation to all the world. We ought to pray and support our missionary brothers and sisters who are doing the Lord's work in foreign countries. Some are even at difficult and dangerous places. The message of Hope is for every person living on earth because Christ died for the sins of all mankind. Let us diligently do the Lord's work because the time is short and many people are living without knowing our Saviour.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
