"Blessed are those who hunger and thirst for righteousness, for they shall be filled." - Matthew 5 V6

"Blessed are those who do His commandments, that they may have the right to the tree of life, and may enter through the gates into the city." - Revelation 22 V14

What do we see people hunger and thirst for in our world today? Sadly, it is not righteousness as the Word of God teaches us to do. We all are guilty of this and probably we all have faced the empty feeling before we accepted Christ into our heart. Jesus Christ is the answer to every issue we have in our life or in our world today. We can be filled only by having Christ and only Christ can give us access to the tree of life in God's kingdom. Let us take some time today to renew our relationship with our Lord and Saviour Jesus Christ and remember to always keep His commandments.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
