---

**"...The harvest truly is plentiful, but the laborers are few. Therefore pray the Lord of the harvest to send out laborers into His harvest." - Matthew 9 V37**

**"Preach the word! Be ready in season and out of season. Convince, rebuke, exhort, with all longsuffering and teaching." - 2 Timothy 4 V2**

Our world needs the gospel of our Lord Jesus Christ like never before. The gospel is the only truth that will save mankind from the coming judgment. There are many who are lost and on the path of destruction. Preach the Word! Let us pray to God for His strength and courage to preach the good news of salvation to the lost. The harvest truly is plentiful. Pray that God will use us as labourers for His kingdom.

*"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ*
