

Professing to be wise, they became fools

"because, although they knew God, they did not glorify Him as God, nor were thankful, but were futile in their thoughts, and their foolish hearts were darkened. Professing to be wise, they became fools..." - Romans 1 V21, 22

"And for this reason God will send them strong delusion, that they should believe the lie, that they may all be condemned who did not believe the truth but had pleasure in unrighteousness." - 2 Thessalonians 2 V11, 12

Scholars teach that the amount of knowledge men gained in the last 100 or so years is far greater than all the previous years combined since men started walking on the earth. The Bible predicts that in the last last days knowledge shall increase and men will go to and fro. Today, knowledge is at our finger tips, and you don't even have to go to a library to refer a book to find something, but sit at home or in your car and learn with computer and Internet. The downside of the gain in knowledge is men have become foolish and they try to find an explanation without including God in the equation. Even this is prophesied in the Bible. In the last days, during the reign of the Antichrist, God will send a strong delusion that wicked men will believe the lies of Satan and will be condemned by God. Come to the Saviour while there is still time. God offers His love freely to those who receive His offer of salvation through Jesus Christ our Lord. Praise the Lord!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ

Amen. Even so, come, Lord Jesus!
