"Professing to be wise, they became fools, and changed the glory of the incorruptible God into an image made like corruptible man..." - Romans 1 V22, 23

"For we walk by faith, not by sight." - 2 Corinthians 5 V7

In the society we live in, educational qualifications and credentials determines the knowledge a person has and he is respected for it. Science seems to dominate our educational system and people think all things can be explained by science and anything that cannot be proven is not trustworthy. This type of thinking has given rise to many atheists and they would rather live a Godless life than believing the Bible. People today worship their self image and materialism and it has become their gods. The Bible DOES NOT teach us to examine the Word of God with our intellectual capabilities (or mind), but rather it asks us to receive the Word from the heart. The Bible teaches us to walk by faith and not by sight. God has given us many evidences of the truth written in the scripture but men are rather willing to believe a lie than to receive the free gift of salvation that God offers us through Jesus Christ our Lord. By faith come to the Saviour and dedicate your life to Him. Praise the Lord!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ

Amen. Even so, come, Lord Jesus!

Walk by faith
