"Woe to those who are wise in their own eyes, and prudent in their own sight." - Isaiah 5 V21

"Professing to be wise, they became fools..." - Romans 1 V22

We live in times where people are wise in their own eyes. Sinful deeds are considered a normal part of life and man is considered to be evolved out of a primordial soup. Professing to be wise these people have become fools and they deceive themselves and live in darkness. Satan is the father of lies and he has been deceiving men from the beginning. The Bible says "Woe to those who are wise in their own eyes". Let us allow the Holy Spirit to lead us from darkness to light and give us Godly wisdom. The wisdom of man is foolishness to God. There is nothing that man has invented or discovered that God did not know. In fact He created everything and put in place and He allows man to learn and understand His creation. Let us seek Godly wisdom and allow God to use us for His glory. Praise the Lord!

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." **- Jesus Christ ☐ Amen. Even so, come, Lord Jesus!**
