

"The heavens declare the glory of God; and the firmament shows His handiwork." - Psalm 19 V1

"For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they without excuse." - Romans 1 V20

When we look at the world around us and beyond, clearly the handiwork of God is evident. The laws of nature, the beauty and perfection of creation, all points toward a wonderful maker. God made everything for His glory for nothing can come into existence on its own. At His Word the whole universe came into existence and God gave the earth and everything in it for man to rule. But sin separated man from God and the world was cursed until everything will be renewed again in the kingdom of Christ. Christ died for us so we can rule and reign with Him in His kingdom, and God will live with His people forever. Praise the Lord!

**"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
Amen. Even so, come, Lord Jesus!**
