"But He who received the seed on stony places, this is he who hears the word and immediately receives it with joy; yet he has no root in himself, but endures only for a while. For when tribulation or persecution arises because of the word, immediately he stumbles." - Matthew 13 V 20, 21

"I know your works, that you are neither cold nor hot, I could wish you were cold or hot." - Revelation 3 V15

One of the evidence that we are in the last days is the state of most Christians today. We see superficial Christianity in most places and Christians are no more exemplifying Christ in their deeds. The Word of God should penetrate deep into our hearts and create strong deep roots of Faith in Christ. We see that love for pleasure and materialistic value is growing in our society and even among Christians. Hear the word and understand it and bear good fruits that will last for eternity. Time is at hand, turn to Christ.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ
