"Who can bring a clean thing out of an unclean? No one!" - Job 14 V4

"A good tree cannot bear bad fruit, nor can a bad tree bear good fruit." - Matthew 7 V18

God has made an investment in each one of us and He expects us to bear good fruit at the appropriate time. We have the gift of the Holy Spirit from God and again God expects us to grow in Godly wisdom with the help of His Spirit. When we carefully study the story of the fig tree that was cursed by Jesus, we find that each one of us will be one day tested for our fruit and like the good tree that bears good fruit, we are expected to bear good fruit too.

"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - **Jesus Christ**
