**"...Those who are well have no need of a physician, but those who are sick. I have not come to call the righteous, but sinners, to repentance." - Luke 5 V31-32**

**"If we say that we have no sin, we deceive ourselves, and the truth is not in us." - 1 John 1 V8**

Every human being is sick in the spiritual sense. Some admit they are sick while others do not. It is only the Holy Spirit that reveals us our spiritual sickness and need of the Saviour. Unless one admits their spiritual sickness they will not feel the need to visit the Physician. There is only one true Physician who can heal us of the spiritual sickness, and the great Physician is Jesus Christ. Christ made it plain that He did not come to call the righteous (people who think they are righteous), but He came to heal and save sinners. Those who say they have no sin deceive themselves. So, even though we do not attain the sinless nature until Christ returns, we are healed the very moment we receive Christ as our Saviour. Come to Christ and receive the free healing which only He provides through His blood. There is no other cure of our sinfulness apart from the blood of Jesus Christ. Praise the Lord!

**"And behold, I am coming quickly, and My reward is with Me, to give to every one according to his work." - Jesus Christ  
Amen. Even so, come, Lord Jesus!**
