

**"Yea, though I walk through the valley of the shadow of death, I will fear no evil; for You are with me; Your rod and Your staff, they comfort me." - Psalm 23 V4**

**"I am He who lives, and was dead, and behold, I am alive forevermore. Amen. And I have the keys of Hades and of Death." - Revelation 1 V18**

With sin came death and since then death has brought fear in the hearts of men. Death does not take our permission or any prior appointment but when it comes we have to submit to it. There is one event in history that has reversed the consequence of death. It is Christ's death on the cross and His resurrection on the third day that has conquered the sting of death. For believers in Christ death is only a transition from this world to the presence of our Saviour Jesus Christ. The thief on the cross was in the presence of Christ the moment he died. And we who believe in Christ have the same hope. One day Christ will unite our spirit with an immortal body that He will offer us. With this glorified body we will live for all eternity with Christ. If you do not know Christ, put your trust in Him today as your Lord and Saviour and you can avail the same hope as others who believe in Him.
