"Also Your righteousness, O God, is very high, You who have done great things; O God, who is like You." - Psalm 71:19

"...There is none righteous, no, not one; There is none who understands; there is none who seeks after God." - Romans 3:10

The righteousness of God is very high and our self righteousness is the total opposite. There is none righteous before God no matter how good our works in our own sight or other people's sight may be or how hard we may try. Now God gives us His righteousness when we believe in Christ and trust Him fully. God alone is righteous and He has offered us His righteousness and that's why His grace is the amazing grace. Praise the Lord!
