"For You, Lord are most high above all the earth; You are exalted far above all gods." - Psalm 97:9

"In the year that King Uzziah died, I saw the Lord sitting on a throne high and lifted up, and the train of His robe filled the temple." - Isaiah 6:1

The Lord our God is exalted above all and His glory fills heavens. Isaiah, the prophet, saw the Lord sitting on His throne high and lifted up. Day and night the heavenly living creatures give Him, glory, honor and thanks, and worship Him. Our exalted God receives our honor and thanks when we go before Him with our sincere heart and worship Him. O' what a privilege it is for us to worship Him and give Him all honor and glory. Praise the Lord!
