"So why do you worry about clothing? Consider the lilies of the field, how they grow; they neither toil or spin;" - Matthew 6:28 "And my God shall supply all your need according to His riches in glory by Christ Jesus." - Philippians 4:19 In the current pandemic conditions, life is tough for lot of folks. With businesses in loss and job losses, many are struggling in these times. But we do have an assurance from God our Father that He will take care of each one of us. God takes care of the wild flowers and sparrows, surely, we being His children, He will meet our needs and never forsake us. Above all, we have His word. If you are going through a difficult situation today, remember to cast all your cares upon God our Father through Jesus Christ our Lord. Praise the Lord!
