"So shall My word be that goes forth from My mouth; it shall not return to me void, but it shall accomplish what I please, and it shall prosper in the thing for which I sent it." - Isaiah 55:11
"But the word of God grew and multiplied" - Acts 12:24 The word of God will not return void. Today we have the word of God in the form of the Bible and it is being preached to the ends of the world. There are souls that are converted and people are turning to God because the word of God is accomplishing and prospering in the thing for which God sent it. Not everyone hears the word of God because people have hardened their hearts and they prefer to live in darkness than living in light and in the truth that God has revealed through His word. There has been several opposition from the beginning to spreading the word of God but it grew and multiplied in the days of the apostles, and it is also being multiplied today. So, let's be part of multiplying the word of God. Praise the Lord!
