

"And of His fullness we have all received, and grace for grace." - John 1:16 "For the grace of God that brings salvation has appeared to all men." - Titus 2:11 In the spiritual sense the world is alienated from God because of sin and wickedness. God destroyed the world with flood during the days of Noah, and we are witnessing the days of Noah in our generations, perhaps even worse. God found only one cure to heal mankind. He Himself took upon flesh and offered His own self to redeem His people. He offered salvation to every person who will believe in Him and offered His grace freely. Noah got into the ark and he and his family were saved, and those who trust in Jesus will also be saved from the judgment and eternal separation. The grace of God that brings salvation has appeared to all men. Do not ignore His grace for the time is short. Praise the Lord!
