"For the wages of sin is death, but the gift of God is eternal life in Christ Jesus our Lord." - Romans 6:23 "For Christ is the end of the law for righteousness to everyone who believes." - Romans 10:4 When the first sin was introduced by Adam and Eve, death was conceived. And ever since the curse of sin has plagued mankind and we see the horrible consequences of sin around us everywhere. There is no man made way out or cure that can fix the problem of death because we don't have a cure for sin. The wages of sin is death and to fix the problem that man cannot solve, God Himself stepped into our world through His Son Jesus Christ and offered the sacrifice to offer salvation to all those who believe. By believing in Christ we receive the gift of eternal life and thus put an end of the ultimate consequence of sin, which is eternal death. Turn to Jesus and believe in Him. Praise the Lord!
