"And do this, knowing the time, that now it is high time to wake out of sleep; for our salvation is nearer than when we first believed. The night is far spent, the day is at hand. Therefore let us cast off the works of darkness, and let us put on the armor of light." -Romans 13:11-12 "See then that you walk circumspectly, not as fools but as wise, redeeming the time, because the days are evil." - Ephesians 5:15-16 The return of our Lord Jesus Christ is near. We can see the evil around us and the works of darkness and for sure it conveys an important message that our world is not getting any better from a moral sense but it's the contrary. In the midst of the trying times we are in we ought to be faithful to our Lord and be the light in the world of darkness. If we are not careful we will be deceived by the counterfeit religions and false hope that is being offered. The only solution to our world problems is the return of our Lord Jesus Christ and let us be diligent in seeking our Lord. Praise the Lord!
