

"Then God saw everything that He had made, and indeed it was very good..." - Genesis 1:31  
"...Behold I make all things new..." - Revelation 21:5 When the world was created by God, He made everything perfect and good. But sin corrupted God's creation and ever since the creation has been groaning to be restored to its original form. One day Jesus Christ will make all things new. He will restore His creation to its former beauty and glory. As we step into the new year, let's keep looking for the return of our Saviour. Let's live in the hope of our return and be faithful to Him in all that we do, one day at a time. Praise the Lord! Happy and Blessed New Year 2021!
