"But none of these things [chains and tribulations] move me [Paul]; nor do I count my life dear to myself, so that I may finish my race with joy, and the ministry which I received from the Lord Jesus, to testify to the gospel of the grace of God." - Acts 20:24 "For I consider that the sufferings of this present time are not worth to be compared with the glory which shall be revealed in us" - Romans 8:18 The gospel of the grace of God is a very precious message which the world needs to hear today. Apostle Paul was willing to die for this cause and he did die for Christ. We live in a sin infested world and all around us we see the deadly effects of sin through sufferings and death. With the Pandemic the world has lost over a million people and this is because we live in a fallen world where sin reigns. But our Lord conquered sin and death, and we who believe in Him have no need to be afraid of death because the glory that awaits is indescribable in human terms. Praise the Lord!
