---

"Even so it is not the will of your Father who is in heaven that one of these little ones should perish." - Matthew 18:14 "The Lord is not slack concerning His promise, as some count slackness, but is longsuffering toward us, not willing that any should perish but that all should come to repentance." - 2 Peter 3:9 God's mercy endures forever. He is longsuffering toward us and He desires that none should perish but all should come to repentance. He sent His Son to die in our place. He died so we may have life. Eternity without God is the worst hell one can experience. Sadly many are heading toward eternity without God by rejecting the Lord Jesus Christ. God has done everything from His front to save us, and even today He is at the door knocking and inviting people. When men reject the voice of His calling they are responsible for rejecting the Savior. Come to the Lord Jesus Christ and receive the free gift of salvation which He has purchased by His own blood. Praise the Lord!
