"The heavens declare the glory of God; and the firmament shows His handiwork." - Psalm 19:1
"For since the creation of the world His invisible attributes are clearly seen, being understood by the things that are made, even His eternal power and Godhead, so that they are without excuse." - Romans 1:20

The age we live in is at total rebellion against God. The secular schools and colleges teach the non-existence of God. They would rather believe in the blind theory of evolution rather than in the Living God who made all things. In the last days God shall send a strong delusion that men that reject the truth will openly believe in lies. It only takes to lift up our heads and look at the sky, or the creation around us. We can see the finger print of God everywhere. We can see His glory in the heavens and all celestial objects remind us of God's great power and glory. We we see His creation there should be praise in our mouths because God alone is worthy of all honor and praise. Praise the Lord!
