"God is Spirit, and those who worship Him must worship in spirit and truth." - John 4:24 "The four living creatures, each having six wings, were full of eyes around and within. And they do not rest day or night, saying: "Holy, holy, holy, Lord God Almighty, Who was and is and is to come!" " - Revelation 4:8 Even at the present moment God is being worshiped by the living creatures and all the hosts of angels, singing: Holy, holy, holy... God desires us to worship Him in spirit and truth. God is Spirit and He wants us to pour out our heart to Him when we worship. People misunderstand worship with rituals. God does not want rituals but He wants our hearts to worship Him in truth. We worship a infinitely holy God and the fact that He accepts our worship itself should be a driving force for us to turn to Him and worship Him on our knees as often as possible. Praise the Lord!
