"Forever, O Lord, Your word is settled in heaven." - Psalm 119:89 "All scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work." - 2 Timothy 3:16-17 Man's opinion on things changes, in fact even the school text books are updated for their information based on latest scientific or historical findings. What we learned a generation ago may not be the same that is taught today. The Bible is the word of God written by the Holy Spirit of God over the course of several hundred years by forty different authors (under the inspiration of the Holy Spirit). This book has stood the test of time and still is intact and same even though many tried to destroy it under the influence of Satan. The Bible is the same yesterday, today, and forever. It is the word of God that never will change. Praise the Lord!
