---

"Finally, my brethren, be strong in the Lord and in the power of His might." - Ephesians 6:10  
"You are of God, little children, and have overcome them, because He who is in you is greater than he who is in the world" - 1 John 4:4 With God on our side we don't need to fear anything. When we walk in His will and let the Holy Spirit lead us we let the Spirit overcome the world and the power of darkness. We are surrounded by demonic influences and the prince of darkness himself rules the world. But overall everything is still under God's sovereign control and without His consent not even a sparrow falls to the ground. When we pray and trust the Lord, we are protected by God for He is greater than he who is in the world. Be strong in the Lord and in the power of His might. Praise the Lord!
