"But even if we, or an angel from heaven, preach any other gospel to you than what we have preached to you, let him be accursed." - Galatians 1:8 "...If anyone adds to these things, God will add to him the plagues that written in this book." - Revelation 22:18 Messing with the word of God is a serious offense. Bible has been attacked since the beginning it was written by holy men of God. It is God breathed words and Satan wants men to not know the truth but despise it. However, all attempts to date to destroy the word of God has failed. The gospel message is the same as recorded in the Bible but many came even until recently to preach another gospel just as we were warned in the Bible. All these men who try to distort the word through their cunning schemes are accursed. Let's hold on to the truth and let the word of God keep us ignited to serve the Lord. The Bible is pure and holy because it is the word of God and no one can distort what God has written. Praise the Lord!
