"For this is God, our God forever and ever; He will be our guide even to death." - Psalm 48:14
"For My thoughts are not your thoughts, nor are your ways My ways, says the Lord. For as the heavens are higher than the earth, so are My ways higher than your ways, and My thoughts than your thoughts." - Isaiah 55:9-10 In the news today NASA shared what is supposed to be a glimpse into the universe through the James Webb telescope. The telescope captured a very minute portion of the universe which displayed thousands of galaxies with several billion stars (like our sun or bigger). All praise went to the telescope and work of nature, because natural man does not see who is behind the creation of the universe. The thoughts and ways of our God are far above than we can even imagine. This same God became flesh to rescue us from sin and death and give us eternal life. For this is God, our God forever and ever! Praise the Lord!
