

"Let your light so shine before men, that they may see your good works and glorify your Father in heaven." - Matthew 5:16 "And whatever you do, do it heartily, as to the Lord and not to men." - Colossians 3:23 Believers mission on earth is to glorify our Father in heaven. We are the light in this dark world and our Lord has let us be here for a time such as this. Let's shine the light of the gospel of Christ into the world that desperately needs it. Whether we are called to preach or called to serve those who preach, let's do it all heartily unto the Lord, for His glory. Praise the Lord!
