---

"But the Lord is the true God; He is the living God and the everlasting King. At His wrath the earth will tremble, and the nations will not be able to endure His indignation." - Jeremiah 10:10  
"Then I saw a great white throne and Him who sat on it, from whose face the earth and the heaven fled away. And there was found no place for them." - Revelation 20:11 In the days of Noah, every thought of man was corrupt and wickedness covered the entire face of the earth. God judged the world with great flood that waters covered the entire earth. No flesh except for Noah and his family were saved. At God's wrath the earth trembles and no nation even with all their might will be able to endure His holy wrath. God will once again judge the world and this time He will judge all wickedness and Satan himself will be cast into the lake of fire. Old heaven and earth will flee and indeed God will create a new heaven and a new earth. For our God all things are possible and nothing can stop Him from achieving His purpose. The Lord is the true God; He is the living God and the everlasting King. Praise the Lord!
