"Do not think that I came to bring peace on earth. I did not come to bring peace but a sword." - Matthew 10:34 "From now on five in one house will be divided: three against two, and two against three." - Luke 12:52 Over the last two thousand years there have been many divisions on account of Jesus Christ. There are those who believe in the Savior, while others reject Him. As a result there is division within family, friends, community, etc. Jesus Christ is the prince of peace and He came to give us peace that passes all understanding. He came to bring peace between the Father and us. Those who reject Christ also reject His peace, and as a result there is war and division in our world today. Come to the Savior and receive the peace that He gives. This is far better than anything else the world can offer. Praise the Lord!
