"...Nevertheless, when the Son of Man comes, will He really find faith on the earth?" - Luke 18:8

"Do not love the world or the things in the world. If anyone loves the world, the love of the Father is not in him." - 1 John 2:15 Our world is changing quickly, and sadly, not for good. And so are the tactics of Satan. He has been the deceiver of old but surely his schemes have become more deadly, even to trap God's own elect. The Bible foretells a time when deception will be on the rise, and if not careful, even God's own elect will be deceived. Beloved, let's be vigilant. For the things in the world look attractive, but don't be deceived. Only the Spirit of God can give us the discernment in a generation such as this. Let's remain faithful to our Lord and Savior Jesus Christ. Praise the Lord!
