

"And you He made alive, who were dead in trespasses and sins..." - Ephesians 2:1    "For God did not call us to uncleanness, but in holiness." - 1 Thessalonians 4:7    God's holiness is infinite. Far beyond even our imagination. God's holiness demands perfect justice, and as a result righteous judgment. Hence God Himself took the form of flesh to redeem His people. He made us, who were dead in trespasses, and given us a new life. Let's be faithful to our Lord and follow His holiness. Praise the Lord!
